- NO regular milk or cream. Use OAT milk or lactose-free milk/cheese only.
- NO beans / legumes (lobia, chickpeas, lentils, fowl).
- NO seafood or fish.
- Chicken is her meat. Lamb or beef dishes: cook her a chicken version or a salad with grilled chicken.
- She is pregnant: food must be fully cooked (no pink chicken, no runny eggs), fresh, and clean.

- Does NOT eat: fowl (fava beans), mujaddara, seafood.
- Likes: fresh juice, fresh fruit. No bread with breakfast.
- Spice level: mild to medium. Chili sauce on the side, never mixed in.

## **Quantities**

- Every table has two columns: 1 person and 2 persons. Use the column that was requested that day.
- 1 cup = 250 ml. 1 tbsp = 15 ml. 1 tsp = 5 ml. Use the measuring cups and spoons in the drawer, not a random glass.
- Rice: always wash 3 times until the water is clear, then soak 20-30 min.
- Dinner portions are half of lunch portions unless told otherwise.

*Gamitin ang measuring cup at kutsara. Huwag tantiyahin.*

## **Cooking basics**

- Onion "golden": medium heat 8-12 min, stir often. Brown = good. Black = throw away and start again.
- Chicken is cooked when juices run CLEAR and no pink near the bone (74 °C).
- Lamb is ready only when a fork goes in easily. If hard, cook longer with a little water.
- Rice: after adding water, boil 2 min, then cover and LOWEST heat, no stirring, no opening.
- Taste the food before serving. Salt is added in small steps.

*Tikman bago ihain. Asin paunti-unti.*

## **Hygiene & safety**

- Wash hands before cooking and after touching raw chicken or meat.
- Separate board and knife for raw meat and for vegetables.
- Cool food before closing any lunch box. Sauces in a separate small box.
- Leftovers: into the fridge within 1 hour, in a closed container, labelled with the day.

## **Videos (QR codes)**

- Every recipe has a QR code at the bottom. Open the camera on the phone, point at the code, tap the link.
- Green label = Tagalog video. Blue label = English video.
- Watch the video ONCE fully before cooking the dish for the first time. Then follow the written recipe in this book for quantities.
- If something is unclear, ask BEFORE cooking, not after.

*Panoorin ang video nang buo bago magluto sa unang beses. Magtanong bago, hindi pagkatapos.*

## METHOD

- 1 Marinate chicken with yogurt, ginger-garlic, biryani masala, turmeric, chili, salt. Minimum 30 min (overnight is best).
- 2 Fry sliced onion in ghee on medium heat until deep golden and crispy (10-12 min). Remove half for topping.
- 3 Add marinated chicken to the pot with the remaining onion. Cook 10 min until chicken is sealed and sauce thick. Add tomato, cook 5 min.
- 4 In another pot boil 6 cups water with salt and whole spices. Add soaked rice. Boil 5-6 min until rice is 70 percent cooked (still firm in center). Drain.
- 5 Layer: chicken at bottom, rice on top, then fried onion, mint, coriander and saffron milk.
- 6 Cover pot with a clean cloth then the lid (seal). Cook LOW heat 20 min. Turn off. Rest 10 min without opening.
- 7 Serve from the side with a flat spoon so layers stay. Serve with raita (yogurt + cucumber).

### MAHALAGANG PAALALA (TAGALOG)
